

CROATIA

Last revision: 07-12-2020

1

In the original (official) data provided by the Croatian Bureau of Statistics for 1966, the sum of live births based on monthly data was one birth lower than the sum of live births based on age-specific data.

2

Data on vital events in the 1991–1997 period could not be collected for the occupied territory of the Republic of Croatia.
