

1

Data pertaining to Taiwanese citizens of Taiwanese nationality only.

2

Data pertaining to Taiwanese citizens of Japanese nationality only.

3

Data were obtained by adding up female and male live births.

4

Data for 1947-1973 are based on birth registration date and do not cover the Fukien province.

5

Data for 1951-1973 have been adjusted for underregistration by the Household Registration Office in Taiwan and have been further recalculated to represent births by date of their occurrence. Births to mothers of unknown age have been proportionally distributed among births to mothers of known age. The data do not cover the Fukien province. For more details, see the background and documentation file of Taiwan.

6

Births refer to year and month of their registration. For more information, see the background and documentation file.

7

Data pertaining to married women only.

8

Births to mothers of unknown age have been proportionately distributed among births to mothers of known age or age groups.

9

Births born to women younger than 15 and to those older than 50 years of age were included in the age groups 15-19 and 45-49 respectively.
